“Go up to the mountain, and bring wood, and build the house; and I will take pleasure in it, and I will be glorified, saith the LORD” HAGGAI 1:8

Motto: IN THE IMAGE OF CHRIST

## PRAYER POINTS FOR TEMPLE BUILDERS

The Image of Christ is the end and vision of God for the Church and hence the purpose of these prayer points for all temple builders. We can only make disciples [This means to reproduce or replicate after our kind; this kind is the Image of Christ] when we have been changed and transformed into that image. Jesus commanded His disciples and the apostles to wait in Jerusalem for that change and empowerment which is the foundation of their work and walk as believers. The obedience of these forerunners produced the birth of the Church and the restoration of the Holy Spirit and the beginning of the restoration of mankind to his rightful position. This restoration would also culminate in the restoration of the planet earth to God’s original plan.

Transformation is first individual and then collective. However Jesus knew that to come together for a common purpose to pray would yield unquantifiable reward rather than individualistic pursuits. Hence we as believers should honestly assess if we are transformed in such a way that we have become solutions in our communities. Can anyone of us without any garb be referred to as Christians the way the people at Antioch referred to the disciples of Jesus as Christians? [Please read Acts 11:26] If we choose to be honest, God would hear us.

The disciples obeyed and got the reward. At Azusa Street it was the same. The only difference to what God is calling us to do is that the revival we need is not the revival of tongues and miracles or divers manifestation, but rather, it would be the revival of transformation into the image of Christ which is the kingdom of God. This is the glorious Church. God would do it but He needs our full cooperation. We must be focused in our vision and pursuit. It would only produce the desired result when we unite in a common vision. These prayers cannot be said with half of our minds on bills, mortgages and seeking for marriage partners. Jesus said those things would come naturally to those who seek the image of Christ first. [The image of Christ, the glory of God, the will of God is the Kingdom of God Jesus commanded us to seek]

These prayers principally would help us Identify God’s mind in various areas of both personal and collective development. It is designed as a twenty-four hour prayer project for any husband and wife, ministry or Local Church. Reading the scriptures as you pray along would help promote unity and focus. These prayers are also a guide not a rule book. It means it places responsibility on us all to be honest and forthright with ourselves and with God for God’s purposes to be fulfilled. If we give God pleasure we would have godly pleasures.

Let us unite. God has only one vision for the Church of Jesus Christ. It is the Image of Christ.

## **PRAYERS TO REBUILD THE TEMPLE IN THE IMAGE OF CHRIST [READ JEREMIAH 1:10]**

As ministers of reconciliation, we own Jesus the duty of enforcing and affirming the finished work of Jesus at Calvary. Jesus said it is finished [See John 19:30], that means it is finished. There is nothing more to add. Jesus recovered the earth, the fullness in it and potentially every living creature including man that was lost by the first Adam. Satan has no claim, except whatever is conceded to him. The blood of Jesus was sufficient to cleanse the third heaven, which is God's throne; the blood

is more than enough for his footstool, which is the earth plus the second and first heaven. Satan was not wanted in heaven; there is nothing in the book that says we should accommodate him here on earth. It is time to take a stand to prepare for the return of our Lord and Saviour. No more sitting on the fence and negotiating with the devil.

Before building or planting for God, the ground or construction site must be prepared. Before God sends the rain of revival, we must ask for the fire. There must be a purging and purifying for our offering to be accepted and the building built according to the plan. [Please read Malachi 3:2-3 and Acts 7:44]

Jesus wants anyone who would pray to know that when you pray according to the new covenant way, it is no more you but Jesus Christ himself praying. [Please read John 14:20 17:22] Jesus mediates only in the new covenant. He would not and does not attend to the old covenant prayers [Please read Hebrews 8:6 and 9:15]. To address any situation or undesirable effects, we must go to the root. Take care of the root and the effect or branches are effectively dealt with. [Please read Mark 11:13-22]

2. I plead the blood of Jesus by which we overcome Satan and his host against everything and anything standing against the image of Christ in man on this planet in Jesus name.
3. Because everything and situation has a root and a source, it is written according Job 18:16 that "His roots shall be dried up beneath, and above shall his branch be cut off" I therefore declare in accordance with the new covenant promise by the Holy Ghost that the root of the following be dried up from beneath and the branches be cut off from above :
4. Roots of Rebellion especially in the Church

## SPECIAL WARFARE PRAYERS WHEN REQUIRED, THE NEW COVENANT WAY

The most crucial foundational information in praying warfare is that the Holy Spirit must direct such prayers. The Holy Spirit would not pray through any believer with any motive or manner that is contrary to the nature of Jesus or the commandment of Jesus. The Holy Spirit would not participate in any old covenant practice because Jesus Christ mediates only in the new covenant and He died to pay for the new covenant promises in the word of God.

The new covenant promises can best be understood as what God said He would do. Our duty is to know what He said and call upon Him to fulfil or do what He said He would do. Note that God said He would do what He said He would do because we could not do such things. God would not answer prayers of death to anyone except you are praying against your actual enemy which is the self that is in you. Also note that Satan answers prayers, the prayers that the Holy Spirit can never inspire or touch. Hence we pray against the works of the devil and every source of power he has acquired against the body of Christ and humanity. God gave us power over all his power or ability in Jesus Christ through the Holy Spirit. [Please read Luke 10:19] What you don't fight for you can't have.

1. Lord I thank you for my weapons of warfare are not carnal but mighty in the Holy Ghost
2. By faith in you I put on the full armour of God in Jesus name. [Please read Ephesians 6:13-18]

6. By the power of the Holy Ghost I bind every strongman reinforcing any stronghold in my life in Jesus name.
7. According to your word to overthrow thrones and kingdom, I come in agreement with my head [Jesus Christ] and ask that you fulfil your word by overthrowing every demonic throne and kingdom in the body of Christ and on this planet starting with the throne and kingdom of self in me in Jesus name. [Please read Haggai 2:22]
8. According to your word to destroy the strength of the kingdom of the heathen, I come in agreement with your will that you destroy everything or weapon that constitutes strength to the kingdom of heathen in the body of Christ and in the nations in Jesus name. [Please read Haggai 2:22] [Name :covenants, dedication, spells, enchantments, incantations or demonic prayers, evil altars and sacrifices]
9. Because the word of God is the sword of the Spirit, an axe, is like fire and a hammer, I release your word by faith and in agreement with your word that you destroy every form of evil coverings and veils over every genuine member of the body of Christ and every human being that Jesus prayed for in John 17:9 and still praying for in Jesus name. [Please read Isaiah 25:7]
10. Because Jesus is the head of the Church and humanity, and anything that affects the body affects the head, I declare in agreement with your word that no weapon fashioned against Jesus Christ and His body shall prosper in Jesus name. [Please read Isaiah 54:17]

that you begin to shake the heavens, the earth, the seas, the dry place and the nations so that our desires for total sanctification and the establishment of the image of Christ in us [The kingdom of God] should come in Jesus name. [Please read Haggai 2:6-7 and Hebrews 12:26-27]

22. By the breath of God in us we speak life to every life and ministry that Satan has tried to kill steal or destroy in Jesus name

### **PRAYERS FOR THE MANIFESTATION OF THE FULLNESS OF GOD IN MAN**

There three categories of prayers have been identified in this prayer project to lead us into fullness of God. Jesus however appear to have given only one prayer point. To change or disciple the world we must first be changed then we can be an agent of change. The foundation is to be born again. [Please read John 3:3] God starts with the individual, brings into the Church for empowerment and transformation, then the individual within the local Church is used by God to Change his or her community.

These processes that God effects in the place of prayer are; deliverance, sanctification and baptism into the fullness of God. These processes constitute the three main prayer points in this project.

The prerequisite for the manifestation of answers to these prayers is faith. This faith translates to absolute surrender or death to self the same way Jesus trusted God whilst He was being humiliated, beaten and nailed to the cross, and the way He trusted God to raise Him up as promised. This faith would cost us time and perseverance. [Please carefully read and observe Hebrews 6:12, Romans 8:24-25]. This faith also means coming together of families or local Churches for this common cause. Your labour and commitment would be rewarded with the manifestation of the fullness of God. Wait until you are empowered. [Please read Acts 1:4-8] Note Jesus warned about too many unnecessary prayer points. [Please read Matthew 6:7-8]

**DELIVERANCE:** Jesus said Satan came and found nothing in Him [Please read John 14:30] He went on and defeated Satan and his host. But Jesus did not defeat self because He gave us the Holy Spirit to help us surrender so that God can deliver us from self. Self is the greatest enemy of man and the enemy we need deliverance from. Self is the associate of Satan and the only one occupying God's position. We need deliverance from the evil works of the devil established to hinder and frustrate the deliverance of self. All your battle is centred on evil constructions to prevent the deliverance of self which would lead to the enthronement of God. Evil constructions may include covenants, altars, dedications, spells etc which are all the fruit of sin or the flesh.

However, God does not want any believer to be talking about the devil and wicked people all the time. This is Satan's strategy of getting believer to talk about him thus beholding him and becoming like him as against beholding and becoming like Jesus. Jesus commended and those who have not known the depths of Satan. [Please read Revelations 2:24] Hence this prayer would be for God to deliver you from every evil work and complete deliverance from self the tree that has as its fruit the works of the flesh.

**SANCTIFICATION:** This is a blessing that is available to be obtained. Sanctification unites the individual believer spirit [At regeneration or when we are born again] soul [ which starts with the Holy Spirit opening ones understanding in the scripture by revealing the truths that sets free in God's word] and body. We have found out that the provision of sanctification of the body as stipulated in 1 Thessalonians 5:23 is a reality that makes John 14:23 possible. John 14:23 is talking about the physical possession of the believer spirit, soul and body by God the Father and God the son after God the Holy Spirit has finished the work of sanctification. Sanctification brings us into full obedience which is simply staying in the place of prayer and asking until we receive. You would know you have received this blessing or total sanctification. It is glory that can be seen. Others would tell you what is apparent for all to see in you.

**BAPTISM:** This is the manifestation of John 14:23 which is the physical tangible taking over or immersion in God. God takes His permanent residence in the believer's spirit, soul and body. It is important to note and know that this is the main reason God created man and why it was so vital for Jesus to die to pay for this to happen. This is the kingdom of God in man Jesus commanded us to seek first before any other thing. Baptism into fullness may be in part. It is not dependent on God but on man. Our level of consecration to pursue John 14:23 as the goal or vision would determine God's response. Obedience is like a key that opens the door the key was meant to open

## PRAYERS

1. Lord deliver me according to your word that you will deliver and redeem me in Jesus name. [Please read Jeremiah 15:21, 2 Timothy 4:18 ]
2. Lord sanctify me spirit, soul and body in Jesus name. [Please read 1 Thessalonians 5:23 and Ezekiel 36:23-27]
3. Lord baptise me and endue me with power according to your word in Jesus name. [Please read Acts 1:8,John 14:23]

Always remember that Jesus only commanded his disciples to wait until they receive the empowerment. Just one prayer point. Our commitment and perseverance in not getting bored and staying united for this common cause would be reward by the King of Kings. We can now see that unity of faith and a glorious Church is not utopia or complicated. [Please read and observe Ephesians 4:13 and 5:27]
